

## **GENERAL FREIGHT RECEIVING PRACTICES TO UNDERSTAND**

### **Receiving Schedules**

Most common carriers' governing rules state that goods may be delivered during "normal working hours." Generally, this would be 8:00AM to 5:00PM, but could vary depending on the practice of the community. Arbitrary refusal of freight during normal working hours may result in additional charges by the carrier. **Examples of items that may be subject to additional "freight" charges (also known as accessorial charges) are:**

1. Specifying special delivery hours (\$50.00)
2. Requiring the carrier to deliver on specific equipment (\$7.00 cwt - \$100.00 min.)
3. Delayed and/or delaying delivery (\$100.00 min.)
4. Redelivery (\$7.00 cwt - \$100.00 min.)
5. Inside delivery (\$7.00 cwt - \$100.00 min.)
6. Sorting and/or segregation of goods (\$7.00 cwt - \$100.00 min.)
7. Palletization or Re-palletization (\$7.00 cwt - \$100.00 min.)
8. Residential delivery (\$7.00 cwt - \$100.00 min.)
9. Construction site delivery (\$7.00 cwt - \$100.00 min.)
10. COD (8% of total value - \$100.00 min.)
11. Notify charges (\$75.00)
12. Re-consignment charges (\$100.00)

**Apex Urethane Millwork, will not pay for any "accessorial charges" regardless of "terms of sales" shown on invoice. All accessorial charges incurred by Apex Urethane Millwork, will be charged back to the customer, at the rates noted above.**
